

The A Factor

Wednesdays 3:30 – 5:00pm

Are you a musician with talent?
Would you like to perform on the big stage
of Atwell College?
Then this is the course for you.

By participating in this course you are eligible to apply for a Music scholarship for Year 7 and 8 at Atwell College. Students will be put through their paces and develop a performance piece to display as part of the Atwell College “A Factor” talent show. This event forms part of the ArtNet Exhibition held annually at Atwell College and will be on Wednesday night week 9 of Term 3.

This course is open to 15 Year 6 students.

Presenters:
Mrs Kate Linton

Edison Robotics

Wednesdays 3:30 – 5:00pm

ACZE will be introducing students to the Edison Robots, giving them an insight into STEM robotics.

Students will be constructing robots, trialling modifications and programming them to be controlled with a standard Infra-Red remote, such as those used with TVs. Students will have set challenges throughout the course and competitions such as sumo tournaments.

Presenters:

Ms Erin Nicol & Miss Madhurima Sharma

News Broadcasting

Thursdays 3:30 – 5:00pm

BREAKING NEWS!

We all know it, we all watch it but what really goes on behind the scenes?

Introducing ACZE’s Broadcasting: TV News Production Program.

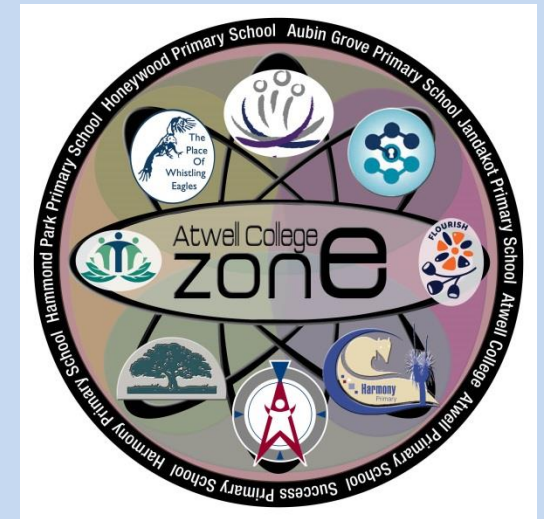

Students will have the opportunity to engage with the media text of TV News segments. Students will learn how to create an exciting new broadcast segment with industry-standard equipment such as the Canon DSLR cameras, green screen kit, and microphones, along with software such as Adobe Premiere Pro and Adobe After Effects.

USB drives are required for this course.

Presenters:
Ms Krysia Jeffries
