

ATWELL COLLEGE

YEAR 11

VET for Schools 2016

Vocational Program Pathway v6

**POLYTECHNIC
WEST**

central
INSTITUTE OF TECHNOLOGY

Challenger
INSTITUTE OF TECHNOLOGY

TAFE / VET Offerings 2016 – Year 11 – Part A

Vocational Education in Schools programs from Challenger Institute of Technology, Polytechnic West and Central TAFE as well as other RTO's such as CET, Shill Hire, Fremantle Education Centre and MPA Skills
(Subject to final availability)

These courses are only available to students who

1. Have **C Grades or higher in Year 10** – TAFE Applications will not be submitted for those students with a D grade in Maths and English
2. Have selected the **Vocational Program Pathway** at Atwell College in 2016

Points to consider

- Part A contains primarily Cert I and Cert II level programs.
- Expression of Interest (EOI) Application forms must be completed. Please ask your subject selection counsellor for the correct EOI form.
- The most recent school report must be submitted with application form – Application forms without a school report will be returned to the student.
- A copy of the student's report can be obtained from SLB Reception at a cost of \$5.
- Resumes and references are highly encouraged to be submitted with your expression of interest application.
- Applications submitted after the deadline will be placed on a waitlist.
- Entry in to programs is determined by the TAFE Program Coordinators and Lecturers.
- All students **MUST** have minimum C grade in Maths and English to be considered.
- Interviews may be scheduled at TAFE.
- Many programs have **highly** competitive entry requirements. This means that student's will be assessed and ranked based on their grades and the comments in their reports – in particular Electrotechnology, Health, Animal Studies and Cert III's.
- Students must commit to the program for the entire year.
- Courses with insufficient numbers may not run.
- Programs offered by training providers are subject to change – please select more than one qualification
- All costs are approximate
- Courses may not have a "follow on" qualification in Year 12. Students may be required to apply for a qualification in a different industry.
