

## ATWELL COLLEGE

### UNIFORM POLICY

School uniform is a very important part of the Atwell College ethos and tradition. It contributes to the positive College image and establishes a sense of community identity.

There is an expectation that all students comply with the school uniform policy. Parents indicated their support of the school uniform policy on their child's enrolment form.

Under section 128C of the Education Act, the School Council determines, in consultation with the school community, a school uniform for students. The Department of Education's policy on school dress code allows schools to make the wearing of school uniform a requirement. It has been found that the wearing of school uniform brings with it many benefits, such as the promotion of the school's public image; an enhanced school spirit; a reduction in rivalry between students; an increase in convenience and cost-saving for parents; and preparation for work environments which have dress and safety codes.

**Please note:**

Leggings are not suitable to be worn as a part of the uniform unless they are worn under a skirt or pair of shorts.

A plain white hoodless shirt can be worn under the school shirt. Any other colour, or anything with a hood, is not acceptable.

Black garments are not acceptable under any circumstance.

**Shoes:** Students should wear suitable enclosed low heeled shoes, sturdy sports or flats. Black stockings or tights can be worn with skirts.

**Physical Education, Specialist Program or Dance attire:** not to be worn outside timetabled classes.
